**TALES THROUGH  
THE GLASS**

*Cocktail Menu*

*“Some stories are told.  
Others are tasted.”*

---

*Welcome to ‘Tales Through the Glass.’*

*A collection of cocktails inspired by the world’s most enduring stories, where legend and libation meet within these pages.*

*Each drink is a chapter drawn from the most captivating moments of literature, theatre and film; tales of temptation, transformation, and tragedy. Within every glass, familiar narratives are reimagined through the alchemy of spirits, rare ingredients, and careful craft.*

*Turn the page and you may wander through enchanted forests, sail restless seas, or glimpse the danger of forbidden pleasures.*

*Here in **Fall From Grace**, we will lead the way as every sip uncovers another story waiting to be told.*

*So settle in, explore the chapters before you, and choose your tale wisely.*

*For some stories are read, but the finest are tasted.*
