Fall From Grace

The Divine Comedy

Cocktail Menu

Welcome to The Divine Comedy.

Inspired by Dante Alighieri's legendary journey through the afterlife, this collection of cocktails leads you from the shadows of Inferno, through the trials of Purgatory, and into the light of Paradise.

Behind the bookcase, Fall From Grace becomes more than a hidden bar. Every cocktail marks another chapter, every sip uncovers a new story.

The only sin? Leaving before you've reached Paradise.

INFERNO
